**PIMPRI CHINCHWAD COLLEGE OF ENGINEERING &
RESEARCH,**
RAVET, PUNE 412101

Department of Civil Engineering

Innovations by the Faculty in Teaching and Learning

Event Title	Flipped Classroom
Participants	27
Venue / Location	Class room no. 216
Organizing Team	Civil Engineering Faculties
Faculty Coordinator	Mr. Akshay Bharat Rahane
Academic Year / Sem.	SE Civil
Date	4 th March, 2020

Objective of the Event/Activity Conducted:

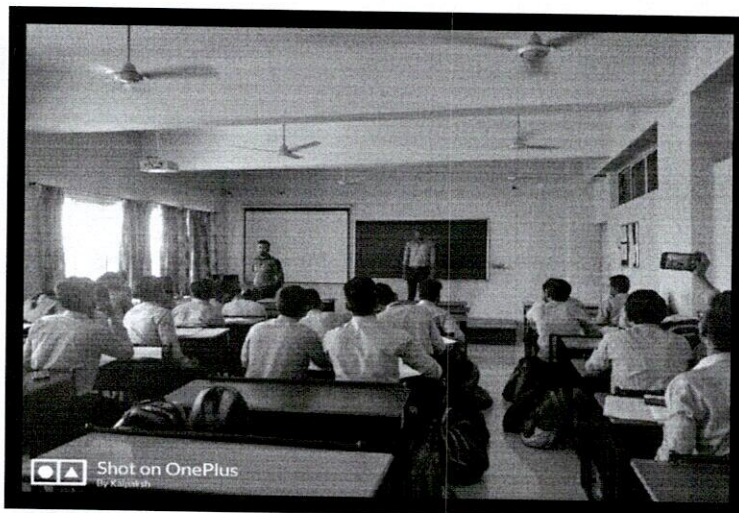

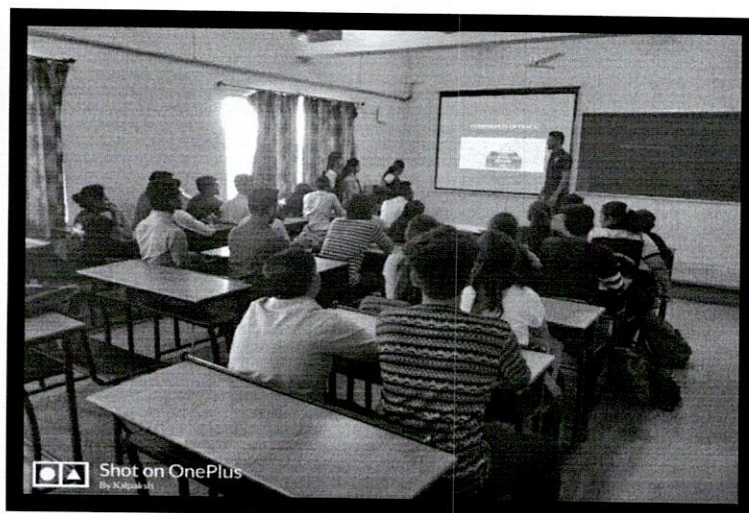

1. To promote a deeper understanding of a concept before coming to class through readings and video lectures.
2. To enhance student learning and achievement by reversing the traditional model of a classroom, focusing class time on student understanding rather than on lecture.

Topic Covered:

- Remote sensing
- Rocks and their economic importance
- GIS in civil Engineering
- Minerals and their properties

Event / Activity Photos:

Outcome of the Event/Activity Conducted:

- Students will be able to actively engage with lecture material and frees up actual class time for more effective.
- Students will be able to increase leaning capacity related to fundamentals of research strategies, data-collection, and analysis before coming to the class.
- Students were come to know more about ability to express idea effectively.
